

Accommodation to meet your needs

Modern and safe flats

With a separate bathroom (plus walk in shower to some), kitchen and bedroom, these flats are a place that you can call home.

A main door release system has been installed in each flat so that you can open the main front door from your home.

Emergency support 24/7

Each flat is linked to our monitoring centre, via a pull cord in each room. This means that support is never far away.

Space for friends and family

There's a communal garden, onsite guest parking and communal spaces so there is plenty of space for your friends and family to visit.
