

## Accommodation to meet your needs

### Comfortable and safe bungalows

With a separate bathroom (plus walk in shower to some), kitchen and two bedrooms, these bungalows are a place that you can call home.

Each property has its own small garden to the front and a larger, enclosed garden to the rear.

### Emergency support 24/7

Each bungalow is linked to our monitoring centre, via a pendant that you can wear in your home. This means that support is never far away.
