

Accommodation to meet your needs

Comfortable and safe flats

With a separate bathroom (plus walk in shower to some), kitchen and bedroom, these flats are a place that you can call home. A main door release system has been installed in each flat so that the main front door can be opened from the comfort of your flat.

Emergency support 24/7

Each flat is linked to our monitoring centre, via a pull cord in each room. This means that support is never far away.

Space for friends and family

There's a communal garden, onsite parking and a guest room so there is plenty of space for your friends and family to visit.
